**THE JDK GROUP IS PREPARED TO PROVIDE DISASTER RELIEF FOOD SERVICES DURING THESE UNPRECEDENTED TIMES**

*To help in the battle against COVID-19, The JDK Group is able and ready to provide emergency food relief on a variety of levels*

CAMP HILL, PA. -- The COVID-19 outbreak continues to change daily, bringing with it new mandates from the CDC, local, state, and federal authorities regarding health and safety. As our surrounding communities continue to work on how to best respond to this unforeseen pandemic, The JDK Group is here and ready to help with food production services and emergency mobile kitchen operations.

As one of the largest full-service catering companies in Central Pa., our 32+ years of experience in high volume food production and service to thousands of clients has prepared our team to provide food service relief during this state of emergency. We have partnered with the American Red Cross in past emergencies to offer disaster relief to masses of people. Now, as we face this global unprecedented crisis, we are ready and prepared to answer the call of those in need.

Our professional, commercial kitchen in Camp Hill, Pa. was designed to produce hundreds of meals a day in a safe and controlled environment. We adhere to stringent health department requirements, train our staff in the National ServSafe Program, and follow the highest federal sanitation standards. In response to the COVID-19 virus, we have heightened our already high standards of sanitation even further. You can view these updated sanitation protocols at our COVID-19 Support Webpage here: [bit.ly/SaveEventsPA](https://bit.ly/SaveEventsPA).

**THE JDK GROUP HAS THE INFRASTRUCTURE AND CAPABILITIES TO SUPPORT ON A MULTITUDE OF LEVELS:**

- Produce hundreds/thousands of ready-to-eat meals per day
- Mobilize field kitchens to support emergency teams
- Set-up indoor and/or outdoor access points to food in temporary locations for medical and testing staff
- Delivery service to care homes and facilities with high volume needs, such as daily meals
- A deep bench of team members trained in high-stress situations to provide service
- Capable of opening temporary mobile kitchens serving hot food & boxed meals with no-contact checkout

Our goal is to utilize the resources we have to offer support to those in need. Please let us know how we can provide relief by emailing our team at [info@thejdkgroup.com](mailto:info@thejdkgroup.com).

*May you stay safe and healthy,*
